Let us help you organize your Family History.

7 STEPS FOR Successful Photo Scanning

01. Goals

Contact Family History Nut and set up a meeting to understand your goals for preserving your Family History.

Finalize the goals from the initial meeting. Determine if preference is for photos to be stored chronologically, by person, or event.

02. Plan

03. Organize

Family History Nut will provide you with tools to organize your photos. Remove all photos from albums and frames.

Once your photos are organized, contact Family History Nut for pick up in Volusia County, FL or drop off your photos in Edgewater.

04. Schedule

05. Scanning

Family History Nut will scan your photos and documents according to your preferences.

All original photos will be returned and digital products delivered.
